

# RETURN MATERIALS TO ORCHARD!

Last spring, we left school abruptly and sent your children home with many items to help them with their studies.

Some items have been returned...others have not. Please check your home for any Orchard materials that we reuse each year.

You may bring them back to school at any time on **FRIDAY September 11th**. We will leave tables out front between 8 AM and 2 PM.

Wondering what you might have? Ideas include...

- Bumpy plastic screens (like needlepoint) for red word practice
- Social Studies textbooks
- Judy Clocks (19-20 Grade 1 students)
- Just right books
- Book baggies (colored cloth bags that hold books)
- Library books
- Any other items...

THANK YOU IN ADVANCE!
