

# *Rod Bolten Photography*

*Rod Bolten Photography is excited to be offering online proofing and ordering for school pictures.*

*On picture day we will take 3-4 poses of your child, after the last Cohort/Remote picture day we will email a link to parents to view and purchase pictures.*

*Each student will have a personal login password, this will be the schools name and your child(s) personal ID number. Example: "Your school name School000000".*

***After pictures are taken, a link will be sent to the school to share with parents to view images and pay for pictures. (this only applies if we do not have your email address)***

***If we were given your email address a link will be sent to you informing you about your child's pictures.***

*The link will be active for 2 weeks, the pictures will be printed and mailed to your home, a shipping charge of only .99 cents will be charged to your order.*

*After the 2 weeks, if you have not placed an order but decide you want pictures you can still login and order. Pictures will be mailed to your home, prices will be the same but a \$5.95 shipping charge is added to your purchase.*

*Class pictures will be different this year, they will be a composite of the individual pictures because of social distancing. Class pictures will be delivered to the school at a later date, this is being done differently so all students can be in their class picture.*

***(this only applies to schools that have class photos)***

*If you have any questions please email us at [rodboltenphotography@gmail.com](mailto:rodboltenphotography@gmail.com)*

Thank you,

***Rod Bolten Photography***
