

HSAs on Groupspot!

Hi Parents & Staff!

Welcome back! We hope you had a terrific summer.

As you may have guessed, our schools have been extremely busy behind-the-scenes getting ready for the new school year. More than ever, we need to be flexible and nimble given the current environment. At a time when things can change quickly, having access to the most up-to-date information is paramount.

To help us stay on top of these changes and elevate our weekly school news, we have a new mobile presence for our school communications... Please welcome GroupSpot, a Kohort Technologies app and Ridgewood-based company. These mobile-first communications will supplement e-news which will continue on a weekly basis by email.

Additionally, GroupSpot will be the new home of our mobile directory, which will be available later this fall for those who have paid their HSA dues. The school directory will include contact details for students and families, staff and faculty, HSA Committees, HSA Partners, and important School information as well. You can sign up and pay your dues today, reserving your copy of the mobile directory. Details can be found inside the app.
