AT ORCHARD ELEMENTARY SCHOOL**

Join us to learn STEAM concepts and perform your own tricks!

**Wednesdays October 2nd-December 18th
Grades 1-5, 3:00-4:00, \$175.00 per student**

HOBBY QUEST'S MAGIC MYSTERIES

What could be more fun than learning tricks that will amaze your friends and family? You'll love the look on their faces when they can't figure it out! You'll perform "the legend of the tooth picks", "mind reading" and "mummy mystery" tricks, in addition to many more. This program is not only fun, but many of the tricks reinforce important math concepts. After you master all the tricks, you'll get to perform them for your family and keep the magic tricks for many more magic shows to come. Abracadabra-will they solve the mysteries, or will you transform into a Magic Mysteries Magician?

It's Magic! Learn it! Perform it! Keep it!
