Crafting Club for Orchard School

Clay Paper Scissors Studio, a unique crafting destination in Oradell, NJ, is excited to partner with Orchard Elementary School for an after-school crafting program.

Open exclusively to Orchard students, crafting club will meet once a week for 5 weeks from 3:00 – 4:15. \$175 per child for the 5-week class. Please make checks out to Clay Paper Scissors Studio and mail to Clay Paper Scissors Studio, 380 Kinderkamack Road, Oradell, NJ 07649.

Club members will enjoy hands-on crafting activities from working with paper mâché to making slime.

Limited to 15 students, grades 2nd thru 5th.

BYOS (Bring your own Snack – Nut free PLEASE!)

Each week we will create and craft a new project. Please note that some projects may take two weeks to finish.

Week 1 October 1 – Bead Making During this workshop students will learn how to make beads out of polymer clay and paper then learn the craft of jewelry making. Each child will go home with at least one piece of jewelry.

Week 2 October 8 – Working with Paper Mâché! During this week the students will learn how to use paper mâché as a medium to create unique pieces of art! This project will take two weeks due to drying time.

Week 3 October 15 – Working with Paper Mâché – cont. Your child will learn how to sand, paint and glaze their one of kind paper mâché creations. Each child will go home with at least one piece of paper mâché art.

Week 4 October 22 - Crayon Melting! Crayons BEWARE! During this workshop, we will work with the students to create a canvas masterpiece by melting crayons. They will decide their own unique layout then go to work with hairdryers to melt the crayons. Safe for all – and a ton of fun! Each student will go home with one piece of art.

Week 5 October 29 – DIY SLIME! You have banned it from your house, but your kids are still obsessed? We've got you! We will make various slimes including Glow in the Dark and Unicorn slimes. Kids will go home with at least two different kinds of slime from this workshop.
